1 AN ACT Relating to requiring training for cosmetologists,
2 barbers, estheticians, and hair designers on the care, styling, and
3 treatment of textured hair; amending RCW 18.16.020 and 18.16.030;
4 creating a new section; and providing an effective date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The legislature finds that nearly 65
7 percent of the world's population has textured hair, resulting in a
8 market of approximately one billion people, yet many clients with
9 textured hair report not having equitable access to professionally
10 trained and licensed stylists with the skill set and experience to
11 provide services for textured hair.

12 The legislature also finds that in the appearance enhancement
13 industry, current standards for training and qualifications tend to
14 only apply to individuals with fine, straight hair. As such, students
15 attending schools of cosmetology or natural hair styling may complete
16 training programs without a full understanding of how to maintain,
17 treat, and style a diverse range of hair textures including curly,
18 coiled, coarse, and thick hair. This institutionalized gap in
19 knowledge can result in harm to health and damage to the hair of
20 clients from varying cultural and ethnic backgrounds.

1 Therefore, it is the intent of the legislature to establish a
2 process to empower cosmetologists with the skills and confidence to
3 consult and work with clients with textured hair while maintaining
4 the industry health and safety standards.
