3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4       **Sec. 1.** RCW 70.58A.530 and 2021 c 55 s 2 are each amended to  
5 read as follows:

6       (1)(a) A certification issued in accordance with this section is  
7 considered for all purposes the same as the original vital record and  
8 is prima facie evidence of the facts stated therein.

9       (b) An informational copy is not considered the same as the  
10 original vital record and does not serve as prima facie evidence of  
11 the facts stated therein.

12       (2) The state and local registrar shall issue all certifications  
13 registered in the vital records system from the state's central vital  
14 records system database upon submission by a qualified applicant of  
15 all required information and documentation required either by this  
16 chapter or by rule, or both, and shall ensure that all certifications  
17 include:

18       (a) The date of registration; and

19       (b) Security features that deter altering, counterfeiting, or  
20 simulation without ready detection as required under this chapter.

1 (3) A person requesting a certification of birth, death, fetal  
2 death, or birth resulting in stillbirth must submit an application,  
3 identity documentation, evidence of eligibility, and the applicable  
4 fee established in RCW 70.58A.560 to the state or local registrar.

5 (4) For a certification of birth, the state or local registrar  
6 may release the certification only to:

7 (a) The subject of the record or the subject of the record's  
8 spouse or domestic partner, child, parent, stepparent, stepchild,  
9 sibling, grandparent, great grandparent, grandchild, great  
10 grandchild, legal guardian, legal representative, or authorized

12 (b) A government agency or court, if the certification will be  
13 used in the conduct of the agency's or court's official duties.

14 (5) The state registrar may issue an heirloom certification of  
15 birth to a qualified applicant consistent with subsection (4) of this  
16 section. The heirloom certification of birth must contain the state  
17 seal and be signed by the governor.

18 (6) The state registrar may issue a certification of a birth  
19 record registered as delayed under RCW 70.58A.120 or 70.58A.130 to a

28 subsection (4) of this section. The certification:

29 (a) Must not include reference to the adoption of the child; and

30 (b) For children born outside of the state, must be issued  
31 consistent with the certification standards of this section, unless  
32 the court orders otherwise.

33 (8) When providing a birth certification to a qualified applicant  
34 under this chapter, the state or local registrar shall include  
35 information prepared by the department setting forth the advisability

19 transaction involving real property in which the decedent held some  
20 right, title, or interest; or

22 necessary for a determination related to the death or the protection  
23 of a personal or property right related to the death.

24 (11) The state or local registrar may issue reports of fetal  
25 death either as a certification of a fetal death or as a  
26 certification of birth resulting in a stillbirth, or both.

27 (12) When issuing a certification of fetal death, the state or  
28 local registrar may release the certification only to:

29 (a) A parent, a parent's legal representative, an authorized  
30 representative, a sibling, or a grandparent;

16 resulting in stillbirth, may constitute the basis of any new right,  
17 privilege, or entitlement, or abrogate any existing right, privilege,  
18 or entitlement.

19 (14) The state or local registrar shall review the identity  
20 documentation and evidence of eligibility to determine if the person  
21 requesting the certification is a qualified applicant under this  
22 section. The state or local registrar may verify the identity  
23 documents and evidence of eligibility to determine the acceptability  
24 and authenticity of identity documentation and evidence of  
25 eligibility.

26 (15) The state or local registrar may not issue a certification  
27 of birth or fetal death, including a certification of birth resulting

9 under RCW 70.58A.060.

10 (19) The state or local registrar must issue an informational  
11 copy from the central vital records system to anyone. Informational

13 Informational copies of death records must not display information  
14 related to cause and manner of death.

15 (20) A person requesting an informational copy must submit an  
16 application and the applicable fee established in RCW 70.58A.560 to  
17 the state or local registrar.

18 (21) If no record is identified as matching the information  
19 provided in the application, the state or local registrar shall issue  
20 a document indicating that a search of the vital records system was  
21 made and no matching record was identified.

22 (22) All government agencies or courts to whom certifications or  
23 informational copies are issued must pay the applicable fee for  
24 certifications established in RCW 70.58A.560.

29 processes determined by the department, verifications of information  
30 contained on birth or death records filed with the department when a  
31 verification is requested by a government agency, insurance company,  
32 hospital, or any other organization in the conduct of its official  
33 duties for fraud prevention and good governance purposes as  
34 determined by the department. The department shall charge a fee for a
